

Sunshine Committee

At this time, 11 cards have been sent. The cost is to be split between the Civic Association and the Park Hills Avant Gardeners.

Agenda Item

Upcoming Events:

Memorial Day Parade, May 25, 2009

Steve Ryan

Discussion

Parade, The organist at the Cathedral, Dr. Robert Schaffer, was nominated to be this year's Grand Marshall. Dave is going to provide a list of the previous grand marshalls to be published in the HUB.

Dave is working with Steve Ryan to turn over parade leadership after more than 30 years of chairing the parade.

NKU has closed the Covington campus so the staging area will be have a different entrance, but it is being worked out and will be fine after the first year.

Help is needed setting up at Trolley Park at 9:00 and 10:00 at the staging area the morning of the parade.

PHCA will have a float. The Board should report before 11:00 to ride or walk in the Parade.

Neil Frankl will ride around in the morning with audio equipment to remind residents about the Parade.

Dave Chandler will MC the flag raising ceremony.

The Avant Gardeners will host the bake sale. It was suggested that a donation "bucket" be available for donations to the PHCA.

Picnic. Natalie Meier is to Chair the event. Proposed date is Saturday, September 12, suggested time: 4 pm-8 pm. We will put a "teaser" announcement in the June HUB. The City has tables we can use. The Board should be thinking about food, (everyone bring a dish?) beer or no beer? BYOB? Cooking contest? The Board should bring ideas to the June meeting.

Agenda Item:

Park Hills Civic Association Web page

Presenter: Albert Fedders, Carol Bethel

Discussion

Gateway is going to be working on the web page after the end of the semester. The instructor is going to get it going rather than the students due to timing. Carol Bethel is to follow-up with the instructor (Ronald Haysbert) for the status and will report to the Board.

Agenda item: HUB **Presenter:** Jill Chalfant and Board

Discussion: When the mailing goes out regarding renewal of PHCA membership, the Board would like to include a survey about the HUB. Questions include: would they prefer to receive a mailing of the HUB? Should passwords be issued to keep the HUB limited to residents? Other questions are in process. We can print at the City Building if we provide paper to the City. More to follow next meeting.

Next HUB deadline: June 22; to be published July 3.

Agenda Item: **Yard Sale recap** **Presenter:** **Board Members**

Discussion: Neil Frankl and Greg Claypole could not attend this meeting but Board members provided some feedback about the Yard Sale. The consensus is that it was a big success. It was suggested that the maps go to participants earlier in the day. The church was soliciting donations from people who parked in their lot. All agreed this is not what we want. Amy Lantz is to get more information from Neil about the income and expenses.

Agenda Item: Flower Swap at Trolley Park **Presenter:**

no discussion

Agenda Item: Mother-Child Day at Trolley Park **Presenter:** Board and Amy Clark

It was suggested that we get a T-shirt for the kids that says "Trolley Park Kids". We will need to post signs in case gardeners or maintenance are working that day. Date not set. We can do signs on the sandwich boards when we decide on a date.

Adjournment: The meeting was adjourned at 8:45 pm. Next meeting: June 18, 7:00 pm, City Building
